# Alpha Financials: Key Project Benefits

## **Aligned With Overall UC System**

The UC Merced CoA will align with the UC system's Common Chart of Accounts and Cloud-first strategy, allowing for UC-level reporting and roll-up across campuses.

## **Reduced Manual Processes**

Select processes will move from manual (Excel) to automated, saving time and reducing duplicative efforts, via approval workflows.

## **Improved Data Integrity and Quality**

Real-time and streamlined reports will provide better data for informed decision making.

## **Centralized Service Portal**

Centralized university-wide service requests on a single ServiceNow portal to enhance and streamline employee experience.

## **Simplified Expense Management**

An easier and integrated expense management process (Concur) for both travel and non-travel reimbursements.
